

# OASIS WORLD MINISTRIES 2025 IMPACT REPORT

# Our Vision + Global Reach

At Oasis World Ministries, we exist to share the life-changing message of Jesus Christ with the world by equipping believers to confidently and compassionately share their faith.

With a clear and prayerful vision, we are working toward a bold goal:

**By 2030, to see 40 million people indicate a desire to follow Jesus Christ.**

This vision guides every training, partnership, and outreach initiative, keeping the ministry focused on sustainable, long-term impact across the nations.

# Elevating our Ministry & Mission in cities throughout the world

## Bangladesh

The local political environment prevents believers from being able to share their faith openly on the street. One Minute Witness tools enable believers to discreetly share their faith story with others in their community.

## Philippines

**Four new house churches** were established as a direct result of the One Minute Witness training.

## West Bengal

A church in West Bengal saw an increase of 60 visitors per month, resulting in 5-7 people being baptized each month.

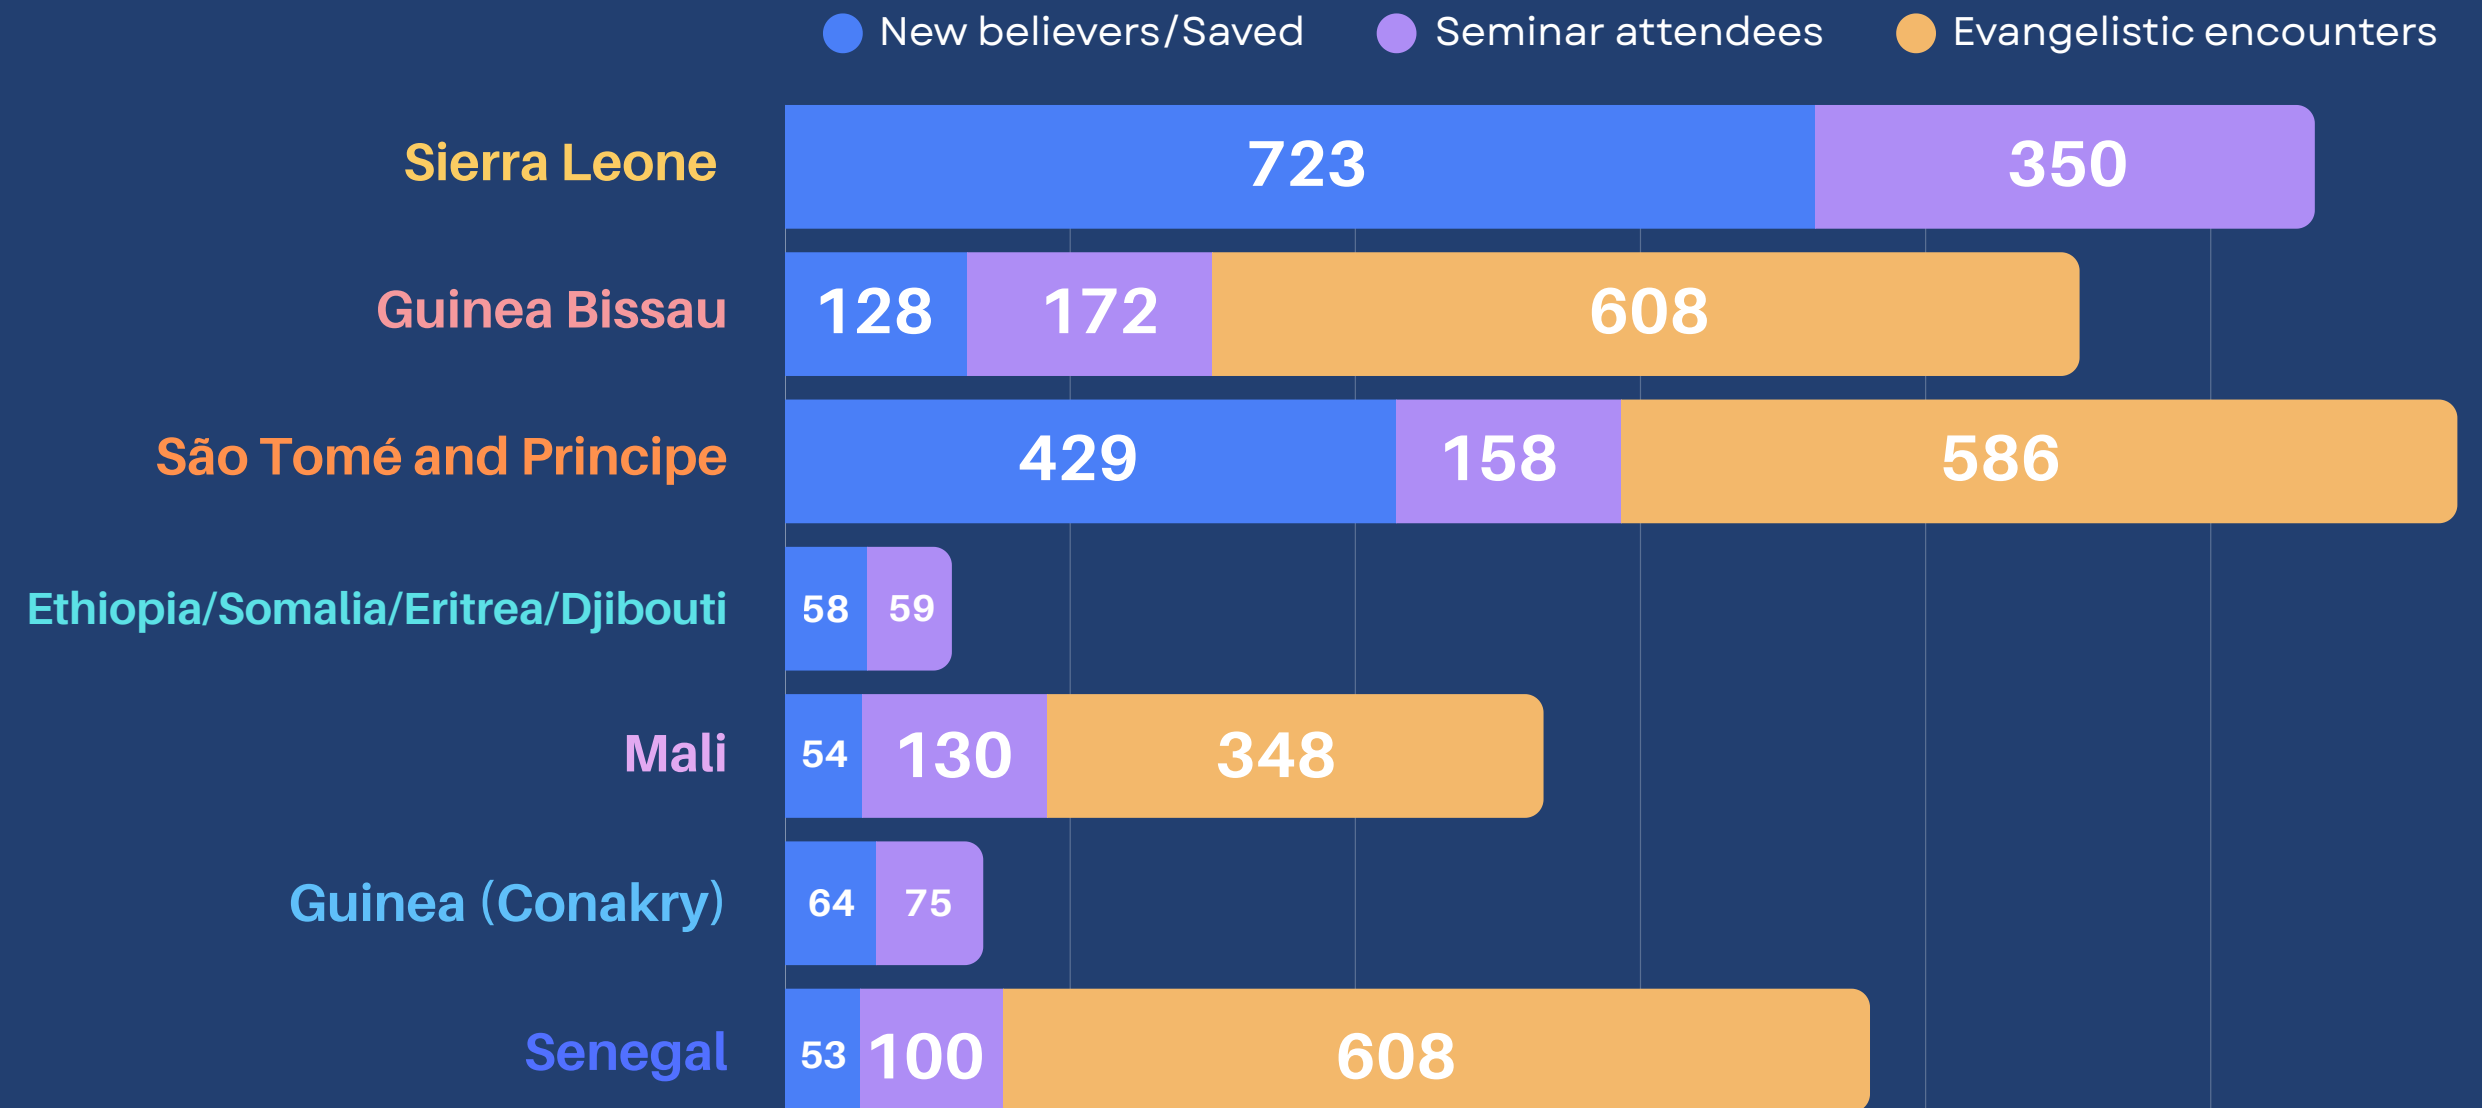

## Myanmar

More than 50 One Minute Witness trainings in Myanmar resulted in over 3,000 people hearing the message of the Gospel and over 400 people deciding to be baptized.

A new worship center is being built as a direct result of the growth in the number of people using the One Minute Witness Tool in their everyday lives.

# The One Minute Witness is in 44 of the 54 nations of Africa.

Across Africa, the One Minute Witness program is equipping everyday believers with the confidence and tools to share their faith in a single, powerful conversation. Through hands-on seminars, participants are trained to communicate the gospel naturally and boldly, one conversation at a time.

# Strategic Partnership

**YouVersion**  
(The Bible App)

In 2025, Oasis World Ministries partnered with YouVersion to help bring God’s Word to people everywhere, every day.

This partnership expands our reach to equip and train Christians to share their faith. It also strengthens our commitment to pairing evangelism with discipleship, ensuring that those who encounter the Gospel also have access to Scripture in their own language and cultural context.

*Together,*

these milestones reflect both the **scale** of Oasis' reach and the **depth** of its commitment to holistic Gospel ministry.

# God is Changing Lives

One need met, one conversation, one prayer  
at a time.

# Real stories of lives transformed

Behind every statistic is a life touched by the Gospel. In 2025, Oasis witnessed countless moments where simple acts of obedience led to profound transformation.

## Angola

In Angola, Denilson Agostinho, the National Coordinator of Oasis, called in a taxi, and realized from the songs in the car that the driver was not saved. He interacted with the driver and learned that he hadn't attended church for many years because he had lost interest and ended up becoming addicted to alcohol and focused more on looking for money. After a few minutes, Denilson asked the key question, shared his One Minute Witness, and led the man to pray the sinner's prayer. At the end of the prayer, the driver said: "I've been evangelized several times but the way you involved me in the conversation, you made me realize what God can do in my life was different." That day, he made the most important decision in his life.

## Guinea Bissau

"I came to this seminar only out of curiosity. But this tool has made all the difference in my life and ministry. I am 29 years old, and this is the first time I've been trained like this to share my faith. It was really amazing to use it. It really works. This will be a game-changer."

## Jakarta

"This tool is amazing, and different than any other. It is polite, relational and simple. I commit myself to use this tool in Indonesia. We had an opportunity to pray for those who did not know Jesus. This tool is effective to grow the kingdom of God."

# Each Moment Matters

“

“The days are coming,” declares the Sovereign Lord, “when I will send a famine through the land—not a famine of food or thirst for water, but a famine of hearing the words of the Lord.”

- Amos 8:11-12

This Scripture reminds us of the urgency of the moment. While doors remain open, Oasis is committed to equipping believers to share God’s Word clearly, faithfully, and boldly.

# 5-Star Evangelism

# What is it?

The **5-Star Evangelism** and Church Growth seminar (Compassion, Equipping, Application, Discipleship, Multiplication) is a key strategy within the Oasis World Ministries training efforts. The One Minute Witness is the core of this strategy. Designed to be simple, relational, and reproducible, it helps believers share their faith with compassion and confidence.

Rather than relying on scripted presentations, this approach emphasizes Spirit-led conversations, authentic relationships, and practical steps that can be applied across cultures and generations. It equips individuals and churches alike to make evangelism a natural part of everyday life.

**This strategy continues to play a vital role in Oasis training initiatives, reinforcing the ministry's commitment to accessible and sustainable evangelism.**

# Partnering Together for the Future

# Looking Ahead

As Oasis moves into 2026 and beyond, the focus remains clear:

Expanding into  
unreached and  
underserved nations

Equipping local  
leaders with proven  
evangelism tools

Strengthening  
partnerships that  
multiply impact

Continuing toward  
the vision God has  
set before us

**God makes all of this possible through partnership with people like you. We could not do this without your prayers, generosity, and trust.**

Thank you for standing with Oasis World Ministries as we continue to pursue God's heart for the nations.

Intentional for souls,

**Tom Elie**

# Together, We Can Reach 40 Million Souls

God's work through Oasis World Ministries is made possible through faithful partnership. Every prayer, every encouragement, every time you share your faith, and every act of generosity helps advance the Gospel into places where hope is desperately needed.

**Partnership allows Oasis to expand its reach, strengthen leaders, and respond quickly to open doors around the world. Together, we are building something far greater than any one organization could accomplish alone.**

Thank you for helping us  
pursue our goal to reach 40  
million people for Jesus.
